

Information

Services for the Communities

How can SAILS assist you or your family members?

SAILS helps individuals with any disabilities: mental, physical, cognitive, and sensory.

At SAILS, you can:

- Learn skills to become independent
- Meet other people with disABILITIES
- Receive information and referrals
- Learn how to advocate
- Learn how to volunteer at SAILS
- Be a part of our community

- Americans with Disabilities Act (ADA) Education and Awareness
- Disabilities Awareness Workshops
- Sensitivity Trainings

Expanding Public Health Program

Since 1981, SAILS has worked to make San Antonio and the surrounding counties a better place to live, work and play for people with disABILITIES

Our Mission

To advocate for the rights and empowerment of the people with disABILITIES and to provide needed services to people with disABILITIES in order to increase their self-determination and independence

Expanding Public Health Program

Access to Health Services

- Provide consumers with significant disabilities accessibility to Covid-19 sites
- Provide information for accessible transportation to Covid-19 sites
- Accommodate persons who are deaf/hard of hearing by providing ASL communication upon request
- Assist persons who have low vision and/or legally blind with proper accommodations for health services

For more information, visit our website:
<https://sailstx.org>

Core Services

- Provide information on Covid-19 vaccination to persons with significant disabilities in SAILS areas of services 28 counties
- Coordinate with community-based agencies to connect persons with significant disabilities to health-related resources
- Collect data from consumers and agencies on issues and concerns related to obtaining Covid-19 vaccinations
- Provide personal protective equipment as needed to consumers of disabilities
- Connect consumers to resources to assist them with experienced isolation
- Outreach nursing homes and other institutional settings to assist consumers with disabilities to transition to community-based living
