

## SAILS Seeks Support for The BIG GIVE SA!

SAILS, along with so many nonprofits and businesses sadly, had to cancel major events. SAILS canceled the Annual Americans with Disabilities Act (ADA) celebration and our Annual Casino Night and other fundraising activities. However, **THE BIG GIVE SA** on September 10, 2020 is our “big chance” to raise important dollars during the COVID-19 Pandemic.

First of all, I would like to thank all of SAILS last year **BIG GIVE SA** supporters. It meant so much to our staff and Board members to know so many people care about helping our consumers with significant disabilities. I am reaching out to everyone to please help in any way you can by selecting SAILS as one of your organizations to support on September 10, 2020.

Please help us with our vision to empower individuals with significant disabilities through advocacy to advance their opportunities to succeed and be more independent in their daily lives. Our overall goal is to help persons with disabilities live as independently as possible!

You can be a part of making a huge difference on September 10, 2020 by donating at [www.thebiggivesa.org](http://www.thebiggivesa.org) or may also make a donation beginning September 3, 2020 at [www.sailstx.org](http://www.sailstx.org). Thanks in advance to all our supporters!

Wishing everyone to remain safe and well too!

Kitty L. Brietzke, J.D.

Chief Executive Officer

A handwritten signature in black ink, appearing to read 'Kitty L. Brietzke', with a stylized flourish at the end.
